

Dear Parents of Sport Sewing Students,

In addition to general sewing supplies, your student will be required to bring fabric and notions to school for three projects this semester.

SEWING KIT REQUIREMENTS: Due August 29

Sewing Pins

Seam Ripper

Hand Sewing Needle

Shears

Fabric Marking Utensil

Seam Gauge

Container to hold all sewing supplies.

... \$0.50 Spacemaker boxes work great

*Inexpensive sewing kits that contain all of these items are sold at Walmart (or check with Grandma!). *Please do not buy expensive materials for this class.* This is a beginning sewing course, and your students will make mistakes as they learn to sew. Walmart is a great place to buy discount fabric. Jo-Ann Fabric is another great option because it offers student discounts and coupons online and via phone apps. Do not buy anything at Jo-Ann unless it is on sale or purchased with a coupon.

Every student should have the opportunity to take this class. If there are financial concerns about purchasing fabric for your child, please do not hesitate to contact me! We are thankful for and accept fabric donations of any kind.

RAG QUILT REQUIREMENTS: Due September 19

→6 yards FLANNEL fabric

(You can use multiple patterns and colors to make up the 6 yards. I suggest choosing 2 colors or patterns and buying 3 yards of each, for a total of 6 yards. However, feel free to choose more patterns or colors, as long as you have 6 yards)

→1 yard of batting

(I use the Warm and Natural Brand. It is easy to cut out and lays flat with the flannel)

→1 spool coordinating thread

PILLOWCASE REQUIREMENTS: Due October (TBA)

→2/3 yard (24 inches) fabric for the body

→1/3 yard (12 inches) fabric for the cuff

→1/8 yard fabric for the trim

→1 spool coordinating thread

*All fabric for the pillowcase should be cut by the width of the bolt. Most bolts come in 42" wide measurements. So, if you ask for 24", the fabric will be given to you in a 24"x42" piece.

PAJAMA PANTS REQUIREMENTS: Due November (TBA)

Students will take their measurements in class; fabric requirements are listed by size as follows:

→XS, S, M: 2 & 3/4 yard flannel

→L, XL: 2 & 7/8 yard flannel

→1 & 1/4 yard of 1/2"-wide elastic

→1 spool of coordinating thread

*Pattern for the pajama pants project will be provided in class

Please contact me at any time with questions regarding this supply list. This is going to be a fun semester!
