GRADES

Grades will be available online. Please check Skyward regularly, and feel free to ask me any questions you might have about a particular grade. I make mistakes, so this is your opportunity to make sure everything is correct! This can be done before or after class or via e-mail.

RULES AND EXPECTATIONS

- *Students will maintain a **respectful and positive attitude** toward the teacher and classmates. This includes listening when the teacher is speaking. Be kind to one another. Bullying is not tolerated in my classroom, period.
- ***Keep all graded work** until a grade is posted on Skyward, in case there are any inconsistencies.
- ***Stay on task!** If you use classroom time wisely, all projects and assignments will be completed by the due date.
- ***Use irons, sergers, and sewing equipment responsibly.** Students who horse around will be given extremely boring bookwork to earn credit during sewing units.
- ***Cell phones are not permitted** in class without permission.
- ***Bring a pen or pencil** and a good attitude to class each day.
- *Students are required to bring a **sewing kit** to use throughout the semester, as well as **fabric for three projects:** rag quilt, pillowcase, and pajama pants. Please see attached supply list.

CHEATING

For Your Information

***LATE WORK** is better than no work! 20% is deducted from late assignments.

***TEST RETAKES:** Your parent/guardian must sign the test acknowledging your grade. Return the test and schedule a retake with Mrs. Lummus **within 2 days of being passed back.** You can earn up to 80% when you retake a test.

***HALL PASSES:** Students are given two hall passes per quarter.

***LIFE HAPPENS!** If you are having issues at school or at home, have a huge exam coming up for science, or realize you need more time to complete your absolute best work for any other reason, e-mail me and request an extension. You must come talk to me or e-mail me **the day before** for the extension to be granted. You cannot come in 5 minutes before class without your assignment and expect an extension.

***SEWING PROJECTS** make up the majority of your grade, and must be completed in the classroom. Stay on task, give projects your best effort, and you will succeed in this class.

***STATE TEST:** The final exam for Sport Sewing will be a state test at the end of the semester. This exam is no harder than any of the unit tests I give. If you are attentive in class, you will be well-prepared for the state test.

GRADING SCALE

A = 94-100%	B = 83-86%	C = 73-76%	D = 63-66%
A- = 90-93%	B- = 80-82%	C- = 70-72%	D- = 60-62%
B+ = 87-89%	C+ = 77-79%	D+ = 67-69%	F = 0-59%

ABSENTEE POLICY and CITIZENSHIP

- ***YES — WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.** It is your responsibility to check with me the day you return to class to find out what you missed. **Check the absent work crate for any missed handouts.** You have **ONE DAY** for each day you are absent to make up missed work. After that day, any missing assignments will be accepted with a **late penalty.** Any assignment you are absent for will be entered as a **ZERO** until it is turned in, including this disclosure.
- ***Citizenship grades** are determined by preparedness, attitude, behavior, respect, and tardiness. CMMS and its teaching faculty demand a high level of scholarly behavior and academic honesty on the part of students. Violations by students exhibiting dishonesty (cheating) while carrying out academic assignments or tests may result in no credit, disciplinary action and reduced citizenship grade.

***The purpose of standards-based grading** is to communicate with students and parents about the achievement and mastery of specific learning goals. It identifies students' levels of progress with regard to those goals, areas of strength, and areas where additional time and effort are needed. Grades can be changed as the students go through the remediation process.
